THINK SEVIERENO WHITE MAN'S HOPE

Amateur Contests Bring Out 200 Pound Boston Aspirant.

Boston, Mass., April 12.—Another possible "white man's hope" was uncovered in the opinion of many persons at the National amateur boxing championship tournament at Mechanics' hall last night, when John Seviereno, a 200 pound member of the Army A. A. of Boston, won the heavyweight championship by disposing of Joseph Burke Cox, also of Boston, in 50 seconds with a sledgehammer right.

It had required only two rounds for him to put away T. J. Dorsey, of the Irish American A. C., New York, in the semi-finals. Both were knockouts.

Warren D. Barbour, son of a New York millionaire, did not appear to defend his championship gained in this city last year.

Of the other half dozen championships awarded that for the 165 pound class probably produced the next best fighter of the evening in Johnny Fallon, a Boston messenger boy.

Final 125 pound class—Won by Frank Huffnagle, National A. C., Brooklyn, by default. A. Kauffman, New York, broke his hands in the semi-finals.

Final 145 pound class—John Fisher, Avonia A. C., New York, defeated Ted Hodgson, Somerville, in two rounds.

Final 158 pound class—Napoleon Boutiller, Boston, defeated John H. Craig, Philadelphia, in one round.

Final 175 pound class—John Seviereno, Boston, defeated Joseph Burke Cox, Boston, in one round.

Final 185 pound class—James Jarvis, Union Settlement A. C., New York, defeated Frank McGarry, Mott Haven A. C., in three rounds.

Final 195 pound class—Johnny Fallon, Boston, defeated Frank Brogan, West End club, Lawrence, in three rounds.

GOTCH DEFEATS ORDMANN.
 San Francisco, Cal., April 12.—Frank Gotch, American champion heavyweight wrestler, defeated Henry Ordmann, known as the "Norwegian Giant," in two straight falls here last night. He won the first fall in 19:12 minutes with a crotch hold and a half Nelson. The second required 26:12 minutes, with a head and crotch hold.

TWO RELEASED.
 Cleveland, O., April 12.—Catcher John Nagle and outfielder Dave Callahan, of the Cleveland American league baseball club, were released to the New Orleans club of the Southern league yesterday.

TEN ROUNDS TO A DRAW.
 Cleveland, O., April 12.—Tommy Brennan, of Omaha, and Earl Williams, of Cleveland, fought 10 fast rounds near here last night. Referee Walter Kelly decided the bout a draw.

A LITTLE GAS-PEL TRUTH

We sell Gas—and the volume of our business depends largely on whether or not gas ranges give perfect satisfaction.

Thousands of people who cook with gas the year round must find it the cheapest available fuel.

The less gas the range burns the more customers we add to our list—the less gas the range burns the more hours the range will be used. Hence the less gas the range burns the MORE GAS we sell.

That is why we incidentally sell gas ranges, too—we want to be sure that our customers are using the most economical range possible to produce.

Would it not, therefore, be folly for us to sell or advocate the sale of gas ranges which would not be economical to operate?

That is why we endorse and offer the "NEW PROCESS" and "NEW IDEA" gas ranges. They have both stood the tests of time, hard usage and comparison, and have not yet been found wanting in any respect. They possess excellent features which are sadly lacking in other ranges.

For these reasons we do not hesitate to recommend these gas ranges above all others. The large sale of these ranges during the last few years is not due to our recommendation alone. It is the expressions voiced by hundreds of El Pasoans on the merits of the "NEW PROCESS" and "NEW IDEA" gas ranges which have established beyond all doubt the wisdom in selecting these ranges.

We carry the most complete line and variety in style of gas ranges ever seen in El Paso. All new ranges sold by us are connected FREE, whether purchased cash or on time.

You will want a Gas Range this year. The weather is already warm and at times quite uncomfortable. How will it be later?

ATHLETIC MEET AT A. & M. COLLEGE

A dual athletic meet has been arranged between the Y. M. C. A. track team and the New Mexico A. and M. track team, to take place at Mesilla Park, April 29. The meet will be held a week before the Southwestern Federation athletic meet in which both the Y. M. C. A. team and the A. and M. college teams are entered. The dual meet will be a sort of preliminary meet in order that the strength of the two teams may be ascertained.

The Y. M. C. A. will pick 10 men from the squad, which is now training for the federation meet to be held in El Paso, May 6. There are now about 25 men out from the local association, and the men who are making the best showing will make the trip to Mesilla Park.

The holding of a dual meet between the A. and M. and the Y. M. C. A. teams will become an annual affair. Athletics at the college have taken a decided brace during this year and the farmers have proved that they are worthy opponents of the various athletic teams representing the different institutions in El Paso.

CONDUCTOR HURT ON PARRAL AND DURANGO RAILROAD

Hugh Kendrick, conductor on the Parral and Durango railroad running to Mesa Sandia, was painfully hurt last Friday when he accidentally fell between the engine and the tender. A rare presence of mind saved his life. When he struck the ground he did not move from his position and the cars passed over him without further injuries. He was taken home, and his wounds, while not serious, will lay him up for several weeks.
